### SPECIAL QUOTATIONS

#### TERMS AND CONDITIONS

Quotations herein subject to change without notice and are for full bags.  
Prices are Net FOB Jacksonville, Fla., unless otherwise stated.

"The Bingham Seed Company warrants to the extent of the purchase price that seeds sold are as described on the container within recognized tolerances. Seller gives no other or further warranty, expressed or implied." All contracts subject to delays and contingencies beyond our control.

Due to many inquiries, we wish to explain the present labelling of Bahia Grass Seed. Because of new methods and regulations governing the testing of Bahias, present tests must show percentage of germination and percentage of firm seed separately. The total of these is considered equal to former germination tests when all official and commercial seed laboratories hand peeled seed for germination. This gave quick and complete total but enforcement officials won't accept these tests anymore, although they were much quicker and very satisfactory.
